# Xerox® Integrated Color Server for the Xerox® Color 560/570 Printer
A Great Value and Seamless Integration

With the Xerox® Integrated Color Server paired with your 560/570 Printer, you can count on world-class color and superior high-end office workflows so you can do what you do best. For high-end office applications, you will be delighted with unrivaled simplicity, productivity and reliability – all this and a great value, too!

- Flexibility to create a wider range of applications. Expansive media range – print everything from postcards to posters. Inline finishing options offer a professional polish with stapling, hole-punching and folding for presentations, brochures, reports and newsletters.
- Xerox® Mobile Print. Now printing can be simple, convenient and secure from any email-enabled device, such as a smartphone, iPad® or other tablet. An ideal option for any business with a mobile workforce looking for more flexible printing options.
- Customize your print driver settings for economy and efficiency. For example, adjust settings for specific applications, such as always printing emails in black and white.
- Scan, print, copy, fax and route files – all at once. Concurrent operations maximize productivity, letting multiple users perform different tasks simultaneously.
- Superior scanning. Easily share files or introduce electronic archiving with powerful scan capabilities. Create text-searchable files at the device for easy retrieval. Compression technology reduces network load to enable fast transmission.

- Automate everyday work. Create job flow sheets to automatically route documents to predefined locations, including email addresses, fax destinations and FTP/SMB sites.
- Remotely manage the device. Xerox® CentreWare® IS Embedded Web Server automates installation, troubleshooting, feature setup and upgrading.
- Manage and track device usage. Internal Auditron sets limits of device features for analysis and billing purposes. Xerox® Standard Accounting provides reports for greater cost control of all device functions.
- Easy, accurate billing and supplies replenishment. Xerox® MeterAssistant® collects and submits meter reads and Xerox® SuppliesAssistant® enables automatic ordering of ink to save time.

Xerox® Integrated Color Server

Hardware Specifications

(equal or better)

- 80 GB hard disk drive, 2 GB RAM
- 10.4 in. color touchscreen flat-panel display
- Ethernet interface (10 MBTX/sec, 100 MBTX/sec, 1,000 MBTX/sec option)

Print Features

- Automatic two-sided
- Secure print
- Delay print
- Sample set
- Booklet creation
- Cover selection
- Paper selection by attribute
- N-up
- Watermarks
- Banner sheets
- Fit to new paper size
- Output tray selection
- Optional print from USB
- And more!

Fax

- Optional Walkup PSTN fax (one-line and three-line options) with Internet fax
- Fax over IP (T.38) Kit
- Network Server Fax Enablement Kit features:
  – LAN Fax
  – Fax Forward
  – Two-sided Send and Receive
  – Fax up to 11 x 17 in. / A3
  – Fax Build Job

Accounting

- Auditron
- Xerox® Standard Accounting (copy, print, fax, scan)
- Enabling Color access control
- Optional Network Accounting Enablement Kit
